

I lied to you!  
I used you!  
Ledonne was never  
a threat.

I fight with  
the pen, not  
the sword.

## Standing Strong for an Apology: March to Richardson Hall

**When:** Friday, August 26<sup>th</sup>, 12:00 noon

**Start:** In front of Nielsen Library

**Purpose:** To force president McClure and the Board of Trustees to come clean by admitting McClure lied to students, employees, and the community about Danny Ledonne. She lied to us when she said Ledonne was on a “Colorado State Police Watch List” (AS&F meeting) and he made “direct and indirect threats against individuals” (email to all students) and many more lies. She needs to admit Danny Ledonne was never a threat to anyone in order to clear his name and restore his reputation. The president must apologize to everyone she lied to and used by claiming she was acting to ensure our safety. The president must apologize to Danny Ledonne.

President McClure not only lied to us, she used us like pawns in her twisted games by claiming the Ledonne ban was for “our safety.” She and the board treated us like children, assuming we would believe whatever they told us. We will show them they were wrong. We paid attention to their unethical games and now we will make ourselves heard.

President McClure should resign. How could anyone trust her after she lied to us and used us? If she won’t resign, the Board should fire her. If the Board won’t fire her, they should be fired.
